

Great Yarmouth Minster Preservation Trust

Tenth Christmas Tree/Crib Festival 2021 Saturday 11th to Saturday 18th December 10am to 3pm

After the great success of previous year's events, we invite entries for the Tree/Crib Festival. We are looking for exhibits that are traditional and also those that are out of the ordinary. Imagination and lateral thinking are encouraged. By this means we hope that the festival will stand out from the other festivals in the area.

As this is a fund-raising event for the fabric and organ of Great Yarmouth Minster a charge of £10 will be made for each exhibit (£5 for schools, children and colleges).

A charge of £2.50p per adult will be made for those coming to see the festival (accompanied children under 16 years of age are free). Free entrance for exhibitors.

A "Hunt the Snowman" competition will be organised for children. Also, children's activities and the teddy bear zip wire will operate on both Saturdays.

1. Exhibits:

A Christmas tree placed **securely** in a stand: artificial or real or made or constructed out of any material. For example: Materials used in your business, wood and branches, any tree – e.g. weeping fig, etc

A Crib: made or manufactured

The safety of the tree and the collecting bucket are the responsibility of the exhibitor. The committee reserved the right to reject an exhibit.
